ABOUT US:

Burgan Training Institute is one of the oldest educational structures in State of Kuwait. It was founded in **1993** and operates under the supervision of the **Public Authority for Applied Education and Training**. **BTI** is accredited by the **Civil Service Commission** and all official **government bodies**, Private sectors and oil companies. **BTI** offering recognized training programs, while providing the highest quality standards in the training field.

We design our training in a way that our trainees get equipped with great level of confidence and competencies which is essential at the modern-day workplace. We have our own Consultants, Research & Development team who are committed to develop and upgrade our course materials under the direct supervision and guidance of our experts. With our top corporate trainings, we offer a unique set of certified and non-certified programs for our clients to strengthen productivity for the smooth functioning of their organization.

We can offer a wide portfolio of integrated services appropriate & conducting training needs assessments.

OUR VISION:

OUR VISION IS TO CREATE, DEVELOP AND GUIDE STUDENTS, LEADERS AND INNOVATORS. **Burgan Training Institute** aims to be a recognized leader in Training and development in the Kuwait.

Our commitment is to provide a safe, supportive learning environment that promotes excellence in consultancy and training.

We further aim to deliver to our Students & professionals uniquely customized training programs to foster the development of appropriate personal values, motivation, self-respect, responsibility and accountability.

OUR MISSION:

“Delivering knowledge without boundaries” “We bring out the best in you”

To provide high quality and market driven education and training programs, skills assessments and consultancy services to meet the needs of our students & professionals. Our focus is helping organizations and individuals enrich their capabilities to achieve the acquired knowledge and develop critical skills to face the challenges ahead of them.

Our training helps to develop social responsibility, principles, and professional ethics.
